

STEM-CPD 2<sup>nd</sup> Summer School

Naples, October 2022

Some practical information (September 2022)

**School Venue:**

Dipartimento di Scienze Chimiche, Università degli Studi di Napoli Federico II, Complesso Universitario di Monte Sant'Angelo, via Cinthia 80126 Napoli ([http://www.scienzechimiche.unina.it/en\\_GB/come-raggiungerci](http://www.scienzechimiche.unina.it/en_GB/come-raggiungerci) ).

We will provide Wi-Fi (Eduroam network), access to a computer with internet connection and a printer, and coffee breaks.

**Accommodation:**

Some suggested hotels (in bold my top picks):

- 1) **<https://www.hotelcristinanapoli.com/en/home-eng/>**
- 2) **<https://www.palazzoesda.it>** (book with the code "FEDERICO II")
- 3) <http://www.montespina.com/en/>
- 4) <https://www.metro900hotel.com/>
- 5) **<https://www.santachiarahotel.com>**
- 6) <https://en.hotel-rex.it>
- 7) <http://www.hoteleuropeonapoli.com>

You have to book the rooms individually

**Lunches:**

It is possible to have lunches in one of our faculty bistros. A nice variety of dishes are usually available. A two-course lunch with a soft drink/water costs about 6-8- euros and it should be individually paid. You will get a VAT receipt upon payment. As an alternative, you can choose to have lunches at “La Facoltà” restaurant (<https://www.facebook.com/LaFacolta2.0/>), very close to the Chemistry department.

**Summer School dinner:**

We plan to take you for a dinner on Wednesday, 5<sup>th</sup> October, to the city center to have a pizza or a typical “Neapolitan” dinner. We are now looking for a nice place to go. The dinner will be individually paid.

#### **Transport from the airport to the school venue:**

– *by bus (option 1)*

At Naples Airport take the **Alibus** bus

([https://www.anm.it/index.php?option=com\\_content&task=view&id=1314&Itemid=373](https://www.anm.it/index.php?option=com_content&task=view&id=1314&Itemid=373) ). In about 15 minutes you will reach **Naples Piazza Garibaldi**, the central railway station. Take the underground, **Line 2**, towards Pozzuoli and get off at **Campi Flegrei** (6 stops, travel time about 25 minutes). In front of the Campi Flegrei station, take the **S1 bus** for Cintia - Monte Sant 'Angelo ([https://www.anm.it/images/stories/s1\\_5.pdf](https://www.anm.it/images/stories/s1_5.pdf) ). Get off at the **Cintia - Monte Sant'Angelo** stop (2 stops, about 15 minutes). Walk for about 400m.

Alibus ticket cost 5 euros. The cost of a ticket for a bus/metro single journey is 1.20 euros. Please do not forget to validate the tickets in the special machines on the buses or at the entrance to the subway. The ticket is valid for 90 minutes after validation

– *by bus (option 2)*

Exit the Naples airport and walk to the Ruffo di Calabria - Carbone stop (about 500 m) where you will take the **180 bus** (direction **Piazzale Tecchio**). NOTE: this bus is not very frequent so you may have to wait up to 25-30 minutes ([https://www.anm.it/index.php?option=com\\_content&task=view&id=3665&Itemid=262](https://www.anm.it/index.php?option=com_content&task=view&id=3665&Itemid=262) ). Get off at the **Cintia - Monte Sant'Angelo stop** (8 stops, journey time around 35 minutes). You will reach the department by walking for about 500 meters.

The cost of a ticket for a single journey (the ticket is valid for 90 minutes after validation) is 1.20 euros. Please do not forget to validate the tickets in the special machines on the buses.

– *by taxi:*

You can book a taxi by calling +39-081-8888. The trip to “**Università Monte Sant’Angelo**” (say this to the taxi driver) takes about 20-25 mins and costs some 27,5 euros: to avoid “misunderstandings” with the driver, remind him to apply this “tariffa predeterminata” (a predetermined rate) to “**Università Monte Sant’Angelo**” and don't forget to ask the taxi driver for the receipt (like this one <https://www.comune.napoli.it/flex/cm/pages/ServeAttachment.php/L/IT/D/4%252F6%252Fb%252FD.dc5655e15bbd8b8789f3/P/BLOB%3AID%3D1193/E/pdf?mode=download> ) that in the case of a ride at a predetermined rate such just like the one you will do from the airport, should be released before the start of the race.

More info and fares on <https://www.taxinapoli.it/> ([http://www.taxinapoli.it/wp-content/uploads/tariffe\\_taxi\\_01062017\\_eng.pdf](http://www.taxinapoli.it/wp-content/uploads/tariffe_taxi_01062017_eng.pdf) ). and here <https://www.comune.napoli.it/flex/cm/pages/ServeAttachment.php/L/IT/D/1%252F5%252F1%252FD.5c99666f9cdbcdb8be169c/P/BLOB%3AID%3D1193/E/pdf?mode=download>

### Transport from the airport to the city center:

At Naples Airport take the **Alibus** bus

([https://www.anm.it/index.php?option=com\\_content&task=view&id=1314&Itemid=373](https://www.anm.it/index.php?option=com_content&task=view&id=1314&Itemid=373) ). In about 15 minutes you will reach **Naples Piazza Garibaldi**, the central railway station. From Napoli Piazza Garibaldi you will reach the city center by walk (20 minute) or take the underground, **Line 1, towards Piscinola** and get off at the **Duomo** stop (first stop, 2 minutes), Università stop (second stop, unluckily now it is closed for maintenance but maybe in October it will be available) or at the **Municipio** (3 stops, 6 minutes). From Duomo, Università (if available) or Municipio stops you can reach almost every interesting place in the city center by walk.

### Transport in the city:

A map of the city is available at

<https://www.comune.napoli.it/flex/cm/pages/ServeAttachment.php/L/IT/D/4%252F9%252F6%252FD.5d135098ffd84a541f7c/P/BLOB%3AID%3D16510/E/pdf?mode=download>

The cost of a ticket for a single journey is 1.20 euros.

The cost of a day ticket (unlimited number of rides in 24 hours) is 4.20 euros.

It is possible to purchase a weekly pass for the city transport at a cost of 12.50 euros to make an unlimited number of trips on the bus + underground network.

Tickets can be purchased in railway stations, underground stations, as well as newsagents, tobacconists and many bars. Tickets should be validated immediately upon the first boarding.

More information on buses and underground are available at <https://www.anm.it/>

A map of the underground is available at [https://www.anm.it/images/stories/2204\\_anm\\_mappa\\_web.pdf](https://www.anm.it/images/stories/2204_anm_mappa_web.pdf) or here
