***Organization of a Label-Committee Coaching event in
December 2024
for Chemistry Eurolabel®***

Application for Joining the Pool of Experts

Deadline for application: **November 30th 2024**

Becoming a Chemistry Eurolabel® Expert is a good opportunity for university lecturers in Chemistry disciplines.

Mandatory criteria for active university lecturers to be eligible as Chemistry Eurolabel® Experts is that your institution belongs to the Bologna Process signatory countries.

To participate in the online Coaching Event, you can submit your application by November 30th, 2024, by writing an email to

labels@ectn.eu

Please insert a short CV description giving special emphasis to your Teaching Activity and the fields of gained teaching experience.

The online coaching takes around 4-5 hours altogether, over two days. The exact schedule will be fixed according to the availabilities of the participants and the Label Committee members.
