Eurolecturer Academy

STEM-CPD Summer School

21 - 25 September 2026 | Madrid, Spain

For academic teachers and programme directors, current CPD Ambassadors, and those who want to become CPD Ambassadors.

In this STEM-CPD Summer School you will

- Co-create to shape the **Union of Skills**, Erasmus+ strategy 2028–2034.
- Advance STEM higher education through impactful continuous professional development (CPD).
- Connect and strengthen a global STEM teaching community and start future collaborations.

Join us and bring Union of Skills in higher STEM education to the next level!

Empower higher STEM education

Co-create in the CPD community

Next level CPD-Ambassadors

In 2024 STEM-CPD Summer School was recognized by

EuChemS
European Chemical Society
